NOTE FOR: DCI

SUBJECT: Thursday's Hearing Before  
SSCI on Kampiles Case

On 8 September, Jack Blake, Bob Gambino and I met in connection with this upcoming hearing. Attached for your consideration is an Outline that I have put together on what I think should be covered. We are still in the process of reviewing the Outline and obtaining answers to the questions it suggests. However, it would be most helpful if we could get your reaction to it as we know you want to firm it up soonest .
